HEATING INSTRUCTIONS

MICROWAVE OVEN:

1. Remove meal from packaging and place on a microwave safe plate
2. Cover plate with glad wrap or microwave cover and place in microwave
3. Select 'High' power
4. If frozen, heat for 8 mins for a small meal or 15 mins for a medium meal
5. If thawed or fresh chilled, heat for 5 mins for small or 8 mins for a medium meal
6. Check the meal is heated throughout and if not, heat for another 2 mins or until meal is warm

Note: Instructions are based on a 600 watt oven, though Microwave ovens vary considerably, adjust cooking times if necessary.

CONVENTIONAL OVEN:

1. Preheat oven to 180°C
2. Remove the lid from the meal
3. Place foil container on oven tray
4. If frozen, heat for 20 mins for a small meal or 25 mins for a medium meal
5. If thawed, heat for 10 mins for a small meal or 15 mins for a medium meal
6. Check the meal is heated throughout and if not, place in oven for a further 5 mins, and repeat the process

Caution: HELPFUL HINT - If you take your meals out of the freezer the day before use. Place it in the fridge for thaw slowing and safety then heating is quicker on the day of use.
